OK so how do I do it

Option One: One on One Training

You can have the training as an individual. This allows you to have the training delivered at your own pace in a timeframe that suits you. We come to you and deliver training that fits into your work/life requirements. All assessments are completed at a pace that suits your needs.

Option Two: Classroom Training

All your learning an assessment for each of the units is delivered in a classroom environment with other students. For classroom training to occur we need a minimum of **5** students.

We can deliver our training in a number of QLD locations. We have a portable classroom set-up whereby we have 10 computers and a Trainer available.

Option Three: Recognition of Prior Learning (RPL)

If you've had lots of experience in this industry or similar in the past; you may be eligible for RPL?

Recognition of Prior Learning means that you don't require the training but rather you just need to be assessed on each unit. You will need to draw on all your past experiences so that you can demonstrate that you have already acquired the knowledge and skills. You may be eligible for some units through the RPL process whilst other units may require some training.
